Document shredders DAHLE BaseCLASS 40204

Standardised entry widths take all common paper sizes

Separate main switch is located on the rear of the document shredder and completely disconnects it from the mains power supply

Detachable IEC power plug makes the document shredder quick and easy to move from A to B

Convenient swivel casters providing 5 cm floor clearance for greater mobility and two brakes for reliably keeping the shredder firmly in place at the point of use

Pull-out rounded top frame that's kind on the fingers when changing the waste bag

High shredding capacity makes easy work of shredding larger quantities of paper in one go

Wide opening door to easily empty the waste bag

Separate, integrated waste boxes help to sort shredded paper, CDs, DVDs, cheque and credit cards for eco-friendly recycling

Modern design blends into any working environment.

Document shredders DAHLE BaseCLASS 40204

Clearly labelled performance characteristics on the top of the shredder help to ensure correct document shredder operation

High-quality, solid-steel cutters in special steel for a guaranteed long service life

P-2 security: recommended, for example, for data media containing internal data that are to be made illegible
